Vision Statement

I am proud to be a Pilot member. I am proud that Pilots are making a difference in the lives of those suffering from Brain Related Disorders. I am also proud that we are preventing further brain injuries through our signature project, BrainMinders. I am proud of the work that Pilot Clubs are doing in their communities to make our world a better place in which to live. I am proud of our new Heritage Center which serves as the headquarters of Pilot International.

However, pride in our organization is not enough unless we are willing to work to make Pilot the best it can be. We need to pursue a comprehensive marketing plan for Pilot which will begin at the grassroots and enable all Pilots to understand that they belong to a vibrant and compassionate organization that functions at the local, district, and international levels realizing that each layer of Pilot is important to the health of our organization. We must continue to recruit new members so that we can expand our service. We need to bring those back into Pilot that dropped out for various reasons. Membership growth is essential for Pilot to continue to make a difference in today's world.

Mohammed Ali said "Service to others is the rent you pay for your room here on earth." I am proud, that as Pilots, our friendship and service to others is how we are paying our rent.
