

Marketing Task Force Jingle

(To the tune of Jingle Bells)

All across the world

In clubs both large and small,

Pilots share their hearts;

They always give their all!

First and second grade kids,

Teens and seniors too...

All need to hear BrainMinder tales,

And that is what we do! HEY!

Marketing! Marketing! Pilots git-er-done!

Saving lives, protecting brains...

At that we're number one! HEY!

Sell your club! Sell your work! Sell your charity!

Let's all share how much we care

From sea to shining sea! HEY!

M E R R Y M A R K E T I N G!
