All it takes is one ignited Pilot!!! One member with relentless determination who fans that contagious flame of hope. That dares to step out of their comfort zone. Who keeps pursuing and keeps believing even when they don't feel like it because they know change isn't easy but change is good. They are rooted in reality and embrace the challenges before them but are unyielding in their desire to inspire those around them and urge others on with visions like, "the reality is we can change things". Yes, we can set up scholarship programs for financially struggling clubs to offset expenses so more can attend PI conventions. Yes, we can develop resources for leadership training and support for clubs along with development of membership tool kits specific to retaining, recruiting, renewing and reactivating members. Yes, we can aggressively pursue local and corporate sponsorships for marketing our BrainMinder's signature project. Most of all, yes we can re-ignite our passion for Pilot!!
