

## Becky Burrows Memorial Scholarship Application

The **Becky Burrows Memorial Scholarship Fund**, established in 2005 from the estate of Becky Burrows. Becky Burrows lived in Arlington, Virginia and was a member of the Pilot Club of Arlington Northeast Potomac District, for 38 years. She was one of the first nine employees at the International Monetary Fund where she worked for 29 years. She was very friendly and spent much of her time at Pilot events making guests feel welcome and was also very helpful to new Pilots. She attended more than 25 Pilot International Conventions where she often served as a doorkeeper.

This fund provides aid to students who are reentering the job market, beginning “second careers,” or seeking to improve their professional skills for their current occupation by continuing their education in that field. Students must pursue courses of study that further Pilot International’s mission to transform communities through education and service in the areas of youth development and leadership, brain safety and fitness or caring for families in need. Although award values may vary, scholarships will not exceed \$1,000 per year for fulltime students and \$500 per year for part-time students. Scholarships may be used for study through the Doctorate degree level.
