

Bob King Co-Pilot Memorial Scholarship

The **Bob King Co-Pilot Memorial Scholarship** was established in 2015 to provide financial assistance to graduating high school seniors and/or undergraduate students preparing for a career that furthers Pilot International's mission. Co-Pilot Bob "Santa Bob" King was the husband of Pilot Shirley King, a member of the Pilot Club of CSRA in Augusta, Georgia. Bob was passionate in his support of Co-Pilot projects on the state and international level, most notably improvements at Pilot International Headquarters in Macon, GA. Bob passed away on September 3, 2012, while on a cruise celebrating his 44th wedding anniversary. During the 2014 Pilot International Leadership Conference, the Co-Pilots elected to fund a scholarship in Bob's memory. Scholarships are based on community service, financial need, academic success, and application contents. Scholarships are awarded for one academic year. A student may re-apply and be granted the Bob King Co-Pilot Scholarship for no more than 3 additional years. Award amounts may vary, but will not exceed \$1,500 per year for full time students and \$750.00 for part time students. Two individual scholarships will be awarded each year.

Applications and all materials are due and must be postmarked by March 15, 2022. The Scholarship Committee will select the award recipients and recipients will be announced by May 2022.
