

The Pilot International KC INTERNATIONAL AWARD Application

Our Mission: to influence positive change in communities throughout the world.

The KC International Award was created in 2017 by an anonymous donor seeking to award financial assistance to students living and studying internationally. Applicants should be in pursuit of careers that further the mission of Pilot International by seeking to influence positive change in communities throughout the world. The applicant must have a record of active participation in volunteer service and show outstanding leadership ability.

Awards are based on community service, leadership roles, career choice, academic success, and application contents. Awards are awarded for one academic year. Award amount will be \$2,500.00 USD or its current currency equivalent per year for full time students. Two individual awards will be awarded each year. The applicant must be a full-time student and remain a full-time student for the duration of the award.

The award proceeds will be sent to the student's school directly. The award does not have to be repaid and it should not be viewed as aid but rather as a reward for the hard work and dedication, you have devoted to your school and your community.
