

"In Memoriam" by Eudora Grisham Kemp

For them the winds of time have blown,
And the misty rains of life have fallen,
No more to these dear departed ones
Are life's pains and worries calling.

Since last we met in this group together,
Loved ones have been taken from our midst;
They now have other roles to play up there,
For their names are now on the Heavenly lists.

They have left this world of beauty and sin,
And now are ever free of worry and pain,
But we here know that it will be a long time
Before their like will come this way again.

So, now we pledge our loyalty to their memory
And proclaim our love loud and clear;
Keeping our memory of them ever with us,
For their memory we'll always hold dear.

May their walk on those Heavenly streets
Bring them peace in the Father's love,
As they bask in the grace of love of the Father
In those golden mansions above.

Let us pause and honor our Anchor, Pilot, Co-Pilot, and Compass family members who have left our earthly realm. We honor their service, cherish their friendship, and delight in the sweet memories we have of them.

Let us bow our heads for a moment of silent prayer, each in his or her own way, remember our family members we have honored today.

“Eternal Creator, we praise you for the great company of all those who have finished their course in faith and now rest from their labor. We praise you for those dear to us whom we name in our hearts before you. Especially we praise you for the members of our Pilot International Family whom you have graciously received in your presence. To all of these, grant your peace. Let perpetual light shine upon them; and help us so to believe where we have not seen, that your presence may lead us through our years, and bring us at last with them into the joy of your home not made with hands, eternal rest in the heavens. We ask in your name, Amen.”

My Dearest Pilot Family - Live for Service, Grow in Friendship, Walk in Love, Go in Peace. True Course Ever.
