

Ruby Newhall Memorial Scholarship Application

The Ruby Newhall Memorial Scholarship, established in October 1949. Ruby Newhall was from Gainesville, Florida and was president of Pilot International. Her contacts with international students at the University of Florida strengthened her belief that these students could contribute significantly to improving international relations. Ruby Newhall's dream of establishing a scholarship fund to enable international students to study in the U.S. and Canada became a reality after her death in 1949 when her family suggested scholarship contributions in her memory in lieu of flowers.

Scholarship funds, not to exceed \$1,500, are disbursed for one full academic year and must be used for tuition and related educational expenses considered necessary by the Executive Committee. Assistance will only be extended to students who are studying through the doctorate level. An applicant for the Ruby Newhall Memorial Scholarship must be from a foreign country, pursuing a degree in the United States or Canada. The field of study must be of a nature that it improves the quality of life for the community in their home country. Applicants must have received a Bachelor's degree from an accredited college or university and in pursuit of a graduate degree or postgraduate degree. The applicant must be a full-time student and remain a full-time student for the duration of the scholarship. The student must have a documented Visa and F-1 form at the time the application is completed, submitted, graded and the scholarship is awarded. Failure to have a valid Visa and F-1 form at any time during this process could disqualify the student.
