Helmets are for more than bicycle riding!
Did you know that?

You can wear a helmet while doing lots of activities. There are helmets for sports such as football, baseball, softball, lacrosse, and hockey. Firemen and construction workers wear helmets. You can wear a helmet during fun activities such as skiing, snowboarding, and skate boarding. Astronauts even wear helmets!

Can you think of other activities that can be done while protecting your brain with a helmet?

Make a list of other activities that can be done while wearing a helmet.
