

I am married to Scott and we have two grown children, Bob and Kelly, and three grandchildren. Our house is not empty though! We share it with Bailey, our Golden Retriever, and Nikki, our Dachshund. I am a retired educator and registered nurse. I joined Pilot in 2008, when my daughter served as Anchor President and I traveled to the convention in Phoenix with her. I advised the Hempfield Anchor Club and chartered and co-advised the Lititz/Manheim Community Anchor Club. I served as the President of the Pilot Club of Lancaster, co-sponsored and chartered the Pilot Club of Central Pennsylvania as the Charter President. I served as the Governor of the Northeast Potomac District in 2016-2017. I continue to be active in my home club, the Pilot Club of Central Pennsylvania.
